Fw: Chair Report 10/9/2021 - rachielr915@gmail.com - Gmail

Hello Family, I apologize for being unable to attend this Saturday session of region. I plan to be here tomorrow. Since last region the treasurer was able to get corporation papers filled as per our guidelines. I was also notified by our carrier that the Regional Insurance policy was due and paid and received a copy of the policy. Also issued a few more Insurance certificates for homegroups since last region. Also want to remind RCMs that Certificates Issued during last Policy Will need to be renewed for this policy. Just email me a simple email requesting insurance for a homegroup and I will send back a template for you to fill out and return to me. Remember this is only for homegroups whose facilities require them in order to hold a meeting at that location. Also our secretary is unable to attend due to COVID. Lets please keep her in our prayers. I am confident with your love and support KAI will do fine today. But dont be to easy on him. With love and gratitude. Regional Chair JL

**RD Report to Show-Me Region
October 9th. 2021**

July and August Conference Participants Meeting

- Largely dealt with scheduling the next World Service Conference. There was a straw poll taken in July and another one sent to the delegates the first part of August with the World Board's recommendations.
- In the August poll we decided that we would hold a Partial Virtual WSC in 2022 and postpone to 2023 the, hopefully, in-person WSC the summary of these polls can be found [here](#) and [here](#).
- In 2022 we will only consider the 1-year budget, delaying the FIPT motion, and the Spiritual Principal a Day Book.
- We have a motion to extend our terms until 2023 due to the delay in the WSC. I forwarded the letter from the World Board and I have also linked it [here](#)

August Southern Zone Meeting (at the MZSS)

- Minutes for SZF can be found [here](#).
- Elections: Lindsay P Facilitator, Staci H Zonal Delegate, and Craig G PR Coordinator
- Nominations for Treasurer will be due in October.
- Do the Regions want an Alt Zonal Delegate?

To regions and zones:

As you have heard, Conference participants came to a consensus to postpone the next World Service Conference until 2023 in the hopes that we will be able to meet in person at that time. The WSC will convene for a partial, interim, virtual meeting in 2022 to make decisions that are required by law and policy, as well as to decide on the Spiritual Principle a Day book, but the conference cycle this time will be three years, ending when the 2023 meeting closes.

You can read the text of the recent motions passed by participants on www.na.org/conference. That page also contains two recommendation reports from the World Board that contain more details about plans for the conference. We are writing to you now about one aspect of these decisions: term limits. As we have reported, we will be asking participants to extend the terms of the world-level trusted servants that are due to expire in 2022 for one year. Six world-level trusted servants have terms that would expire in 2022: three board members, two members of the HRP, and one WSC Cofacilitator. It makes sense to us that they would stay in their positions for the for the length of the three-year cycle, to help maintain continuity and familiarity with the work of the cycle.

Experience has shown that continuity of trusted servants in a conference cycle helps to make the WSC more effective so we are encouraging regions and zones to consider making similar decisions related to the terms of their delegates and alternates. Of course, each region and zone is free to make its own decisions about trusted servant terms, but we are writing to explain the situation and to let you know what we will be recommending for World Services' trusted servants in case a similar decision makes sense for your service body.

The future of the WSC, after 2023, is something that participants will have to collectively decide. If no decision is made to the contrary, the next World Service Conference would take place in 2025, resuming the two-year cycle.

In this, as in all matters, we are happy to answer any questions or concerns you may have. The easiest way to get in touch is to email us at worldboard@na.org.

Thank you to everyone who has served NA during these challenging times.

Yours in service,
World Board
