REPORT: We have 15 groups who meet in person 45 times a week. We lost one of our meeting facilities due to a fire, Building #9 was a complete loss. They do have a new place they are meeting at. Our area is struggling a little financially but we will persevere through this. We will be having the "High On Life" picnic this year and moving back to Bucksaw Point at Thru man Lake.

April 10, 2021

Greetings Family,

Primary Purpose Area is doing well. We are currently we are holding 25 meetings a week with 13 groups seated at our area. There is 1 meeting change that did not get on the new schedules that are in the mail box for the areas and it is for New Way to Live, Moberly, Mo will now be at 6:30 pm on Sundays, which is just a time change starting May 1, 2021.

Our PR sub-committee is holding 2 H&I meetings at the Moberly Correctional facility a week. Some of the county jails are still not allowing outside to come into the facilities. Our PR sub-committee was asked to participate on a Zoom PI presentation with Preferred Family Treatment Center, Drug Court and P&P. The members that presented, reported to the area that it went well. PR will also be compiling addresses for a PI mailing for professionals. That mailing will take place when the government agencies open back up to in person activity.

Activities sub-committee will be holding their annual Summer Picnic on June 12<sup>th</sup> at Simpson Park in Chillicothe, Mo (see flyers in mail box).

PPACNA will be holding a fundraiser on May 15<sup>th</sup> at Ray Behrens Recreation Center in Perry, Mo (see flyers in mail box). Also PPACNA convention will take place this year on Aug. 20, 21, 22, 2021 at the Quality Inns & Suits in Hannibal, MO (see flyers in mail box).

Our area does have a regional donation and also a donation for the insurance. We have the area votes for the region motion and resumes.

In Loving Service,

Ed B. RCM
