Show-Me Regional Service Resume

Dear NA Member:

Before you complete your Show-Me Regional Service Resume form, we would like to ask you to look carefully at service at the regional level.

The position for which you may be nominated will require that you make a commitment of at least one year, with the possibility that your commitment could extend for several years. This means that you will be expected to make a considerable investment of your time and resources. For committee chairpersons and vice chairpersons, this means you should be prepared to attend all quarterly Regional Service Committee meetings as well as all your scheduled committee meetings. You could be asked to travel and spend time away from your family, your job and your home. You may also be asked to spend some of your personal funds in order to fulfill your responsibilities, perhaps to attend workshops, conventions or other activities that could augment the growth of your area of service. Certainly you will have work to do at home in your spare time such as reading or writing reports, and will spend time on the telephone with other trusted servants discussing the plans and objectives of your work.

In order to provide our fellowship with the very best level of service possible, we ask that you carefully consider the responsibilities that go with the elected position for which you may be nominated. You may wish to consult your family, your sponsor or your employer. Talking with other members who have served at the regional level may give you additional insights into the commitment involved. Service work has many rewards and may have a profound, positive effect on your life and personal recovery. However, it does not come without hard work, long hours, dedication, and personal sacrifice.

If, after careful consideration, you feel you need to decline your nomination at this time, your peers will certainly understand and respect your decision to wait until you can freely make the necessary long-term commitment. Service to Narcotics Anonymous can take many forms, and regional service is but one way to carry the message of recovery.

In loving fellowship,

Show-Me Region Service Committee
