

Regional Delegate Motion

To extend the term of the Regional Delegate and the Alternate Delegate by one year to end in July of 2023 due to the in-person World Service Conference being postponed until 2023 tentatively.

Intent: to allow the RD and AD to share the experience of the in-person WSC before electing a new RD/AD team without WSC experience. This is an exception not a guideline change.

Regional Motion

To Task the PR Committee with exploring and reporting back to the region in January, the feasibility of using a BMLT YAP phonenumber for the Show Me Region and the details of doing so.

Intent: To save the Areas money and provide the Region with a single helpline that would all the phonenumber under one number. It would also provide a text meeting search of the BMLT easily searchable by city and state.
