## Show-Me Region

1/10/26

- The area has 22 homegroups and 39 meetings per week
- No Area guideline changes in the last quarter. PR did update
- Currently in need of a Vice Chair and Alt Sec. for Executive committee
- H&I has conducted an average of 18 meetings per month in 4 facilities
- Contact info and helpline are on the meeting schedules in RCM files

A printable schedule and all event flyers can be found at the link below:

## *South Central Area of Narcotic Anonymous*

January 10, 2026

### Greetings

South Central is making changes for growth. We have 12 groups with 25 meetings. Back to Basics Group - Osage Beach and Grounds for Recovery – Rolla could use some support. We had our 1<sup>st</sup> hybrid ASC using zoom in December. Our website committee is looking into website changes. Our current web address is [www.scmoana.org](http://www.scmoana.org).

We have a new H&I chair who is learning on the job. 3 meetings; Compass Health in Rolla on Fridays. Linn Creek meeting twice a month and looking for speakers, are needed for our Sunday speaker meeting in Linn Creek. Pulaski county jail that will start meeting on January 16 and 30.

Our News Year Eve Function was a great success. Thanks to all who attending and helped out.

Richland Clean Start will be having their Spring Fling June 12th thru the 14<sup>th</sup> at Ruby's Landing River Resort. If you're willing to be of service, T-shirt design, or sharing your recovery journey please contact Jacquerha (573-855-3077) or John David (417-718-0626). Flyers are in the folders.

Would like to address the room reservation, did not know the code for discount or the cutoff date. Are there more rooms besides just king size bed rooms in our room blocks?

Loving service

# Primary Purpose Area of Narcotics Anonymous

P.O. Box 504  
Macon, MO 63552

---

January 10, 2026

Greetings Family,

Primary Purpose Area is doing well. The area has 15 groups with 34 meetings taking place per week. The area has a group close due to lack of participation, Life Changes, Booneville, MO on Tuesdays and Thursdays. Schedules are in the mailboxes for the areas and also updated on a regular basis on our web-site [www.primarypurposearea.org](http://www.primarypurposearea.org) and the Show-Me region web-site.

Our PR sub-committee is taking 3 H&I meetings into 3 facilities per week. Preferred Family, Kirksville, MO is no longer receiving a meeting as there is no addicts willing to take meeting in right now. Adair County Jail, still working on getting an H&I meeting to for the inmates. The Macon County Jail has been in contact with the PR panel coordinator. They are getting details worked out to start the H & I meeting back up for the inmates. Also, have other facilities that have inquired about H&I meeting possibilities.

Our Activities sub-committee has 1 function scheduled as of now. Spring Into Recovery, March 21, 2026 at Rothwell Park, James Youth Building, Moberly, Mo. The News Year Eve Function was a great success. Thanks to all who attending and helped out. Flyer is in the mailboxes for all the areas and also on our web-site. More will be revealed concerning other functions as activities sub-committee passes the information on.

There is no new information concerning PPACNA as of now. When the convention committee passes new information concerning next convention we will bring the information to the region.

~~Our area would like to address the room reservation for region. We had no code to reserve room and by the time we got the code it was past the deadline to receive the room rate discount. We need all the dates for region that are scheduled, the code for discount and the cutoff date for reserving rooms. The other issue is why is there no double rooms available in the room block? We usually have 2 addicts attending and a king room is not desirable to most addicts. Could we please have this information before the end of region this weekend.~~

In Loving Service
